"BOLD 21ST CENTURY EDUCATION: CULTURAL RELEVANCY"

Sorors, Affiliates, Community Partners and Friends,

Welcome to the 96th Anniversary Conclave of the National Sorority of Phi Delta Kappa, Incorporated, July 14-18, 2019 in historic St. Louis, Missouri. It is my pleasure to invite you to join us for an exciting, enthusiastic and historic biennial conference. In addition to the stimulating rejuvenating sisterly experiences, there are many fun-filled activities planned for your enjoyment. The theme brings a focused spotlight on the professional careers of our sorors and helps to guide educators in moving forward successfully as student needs constantly change.

The National Conclave Committee, National Conclave Coordinators, Midwest Region Chapters and Sorors, and Alpha Nu Chapter and I have been extremely busy over the last two years in our deliberations, negotiations, and plans with one goal in mind...To make this 96th Anniversary Conclave the best conference for each of you. We wish your experiences to be memorable and you will look back with joy on the many meaningful programs, activities, sisterly experiences and fantastic new acquaintances of this conference. This is the time to share ideas and best practices from our various careers in education and the productive programs conducted and provided within our chapters and regions.

Alpha Nu Chapter is rolling out the red carpet and welcoming you to the St. Louis Union Station Hotel, which has its own unique place on the African American Historic Trail across the United States. As the former train station that took passengers to all points in the country, this newly renovated Hilton property has visible remnants of the train station. You only need to use your imagination to envision the bustling activity of the early nineteenth hundreds as the train master called: **All Aboard!**

I hope you brought your walking shoes, dancing shoes, exercise shoes, swimming gear, hearty appetite, red and gold attire and bling, big heart, broad smile, and exciting spirit.

Welcome and Enjoy your Stay in St. Louis!

Be blessed!

"BOLD 21ST CENTURY EDUCATION: CULTURAL RELEVANCY"

Dear Sorors,

I humbly and gratefully extend greetings to our Supreme Basileus, Executive Council, and Sorors of our illustrious Sorority. Greetings from the "Making A Difference" Midwest Region and our nineteen phenomenal chapters.

I bring you greetings and welcome you to the "Mighty" Midwest Region as we celebrate another magnificent year of the National Sorority of Phi Delta Kappa Inc., at our 96th Anniversary Conclave in St. Louis, Missouri. While you are here please enjoy all that is offered throughout the city and conference as we come together to conduct Sorority business. I would like to thank the Sorors of the Alpha Nu chapter for opening their city to us and for the years of planning and willing labor of love to make sure all of our needs and wants are met. Thank you for being the willing workers in the vineyard.

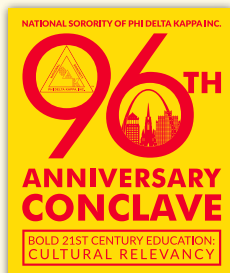

This year our Xinos/Kudos conference was held in Columbus, Ohio, hosted by Gamma Alpha Chapter, with the theme, "The Will to Win, The Desire to Succeed, and The Urge to Reach Your Full Potential." With this theme, our youth were able to excel and move beyond their present level of ability and to turn the keys in our life that will unlock the doors to success and their future.

Our Midwest Regional Conference was held in Evansville, Indiana, host chapter Alpha Eta, with help from Tau Chapter May 2-5, 2019. "Pursuing Excellence Through Educational Awareness," was our theme as we celebrated our 79th Regional Conference and coming together we continued to equip ourselves with the tools needed to continue to be "M.A.D". Making A Difference in the lives of our children and our communities.

To my Sorors in this illustrious Sorority; continue the struggle.

"Give instruction to the wise, and they will become wiser still; teach the righteous and they will gain in learning." –Proverbs 9:9 (NRSV)

National Anthropos President 2018 - 2021

GARY M. KING

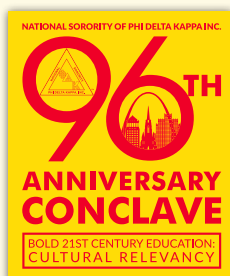

"BOLD 21ST CENTURY EDUCATION: CULTURAL RELEVANCY"

Greetings from the National Anthropos, and our hosts, the Midwest Region Anthropos! We wish to welcome everyone to St. Louis, Missouri – The Gateway to the West! We are looking forward to a tremendously successful Conclave for both the National Anthropos and the Sorors of the National Sorority of Phi Delta Kappa, Inc.

From an Evening with the Anthropos on Sunday through our Induction of our new National Officers on Thursday, the National Anthropos have a full schedule planned for our Conclave including meetings, meals, and tours of St. Louis, but the highlight will be our focus on Men's Health. At our Conclave in 2017 in Little Rock, AR, the Anthropos in attendance had a candid discussion about our health, so we will continue the discussion in St. Louis. We will continue to encourage all Anthropos to continue to improve their health by visiting their physicians and being alert about health issues.

This will be a year of transition for the National Anthropos, as I complete my second two-year term. Another member of the Anthropos will be elected, but I am confident the tremendous strides we have taken organizationally will continue.

Thank you for a fantastic four years as President! I am truly humbled to have served the National Anthropos. We have been blessed with tremendously dedicated National Officers. We look forward to joining together as we meet in St. Louis!

26th Supreme Basileus

National Sorority of Phi Delta Kappa, Inc.
as you celebrate your
96th Anniversary

Team Members **John E. Skulark** and **Juanita Searcy Skulark** have been assisting others to reach their goals for more than forty years. **John Skulark** as President of Skulark Construction guided more than fifty young men through various levels of the construction industry to journeyman. As a result of this project, **Mr. Skulark** was honored by The Chicago Economic Development Corporation Contractors Division. **Dr. Juanita Searcy Skulark** has practiced educating others at many levels including teacher, administrator, consultant, and facilitator. One major contribution in the field of education was the assisting of more than one hundred students at the post-graduate level at Jacksonville Theological

Seminary. The Skularks have worked as a team on many projects in the Fourth Episcopal District of the African Methodist Episcopal Church, but the most recent was as "Chairs" of Mayo's 25th Anniversary Celebration. With the guidance of the Holy Spirit, the prayers and full cooperation of the entire church family, the celebration was one to shout about. This effort allowed the Mayo congregation to raise the necessary operation capital and cash flow requirements for preventive Building maintenance and structural improvements to the church. Dr. Skulark and Brother John displayed with true laity.
